Users

In the User tab you can manage the users in your space, edit their roles, remove them from the project or add new users.

- **User list**
  Under the User name you can see the list of all users.

- **Invite user**
  If you're the project owner you can click on Add new user to create a new user. You need to provide a username, email address and role(s).

> Keep in mind, that the access to the **Users tab** requires appropriate permissions
